WHAT WAS EXAMINED

i. **Date code.** "8901 A2" is heat-embossed on the side strap tab. This is the late-1980s format: year 89, month 01, followed by the French factory code A2. The date fits the Epi line, introduced in 1985, and the Toledo Blue colour, produced 1985–2002.

ii. **Embossing and stamps.** The Epi grain is even and continuous across the panels. The embossed LV logo on the side is crisp and correctly proportioned, and the grommets are engraved "LOUIS VUITTON".

iii. **Stitching.** Straight, evenly spaced stitching in dark thread along the trim, base and strap, with a consistent stitch length and no loose or doubled stitches.

iv. **Hardware.** Solid brass D-rings, buckle and grommets with patina consistent with age. The interior zip pocket has an LV-stamped pull.

v. **Interior.** Alcantara-type microfibre lining with an Epi-trimmed zip pocket, as on Noé bags of this period.

vi. **Construction.** Shape, proportions, base piping and drawstring routing are consistent with the model.

CONDITION: GOOD, WITH VISIBLE VINTAGE WEAR

- Colour loss and light whitening along the top edge and on the drawstring.
- Scuffs and colour loss on the base corners and the lower piping.
- Darkening and wear on the shoulder strap.
- Tarnish and patina on the brass hardware.
- Light marks on the interior base.
- No tears or open seams observed.
